Ready for a world of adventure?
Stop by the Watersports Centre.

Pop on a mask and some flippers, and plunge into the extraordinary underworld of our House Reef.

Back up top, glide across the water on a stand-up paddleboard or kayak. Or go further, faster, wilder with a spot of wind-surfing.

For a blast of unbridled energy (not included in the Premium All-inclusive), jet-skiing, waterskiing, wakeboarding and knee-boarding are all available, as well as scuba diving and motor boat trips.

HISTORY-MAKERS

Our unique Museum of Island Heritage showcases findings from the island dating back nearly a millennium.

SECRET TREATS

We like to keep some of our experience programmes as a surprise for your arrival, so pack your swimsuit and your sense of adventure and come on over.

CORA CORA MALDIVES *Culture*

Our island has been welcoming visitors for more than 900 years. And once you've set foot on the soft sand glowing in the warm sun, who can blame them?

Step this way to peek into a time when the island bustled and hustled with travellers who stopped by for a different reason. Ships sailed the Spice Routes, and our atoll was the ideal spot to stop, do a little trading, restock and wait for the weather and winds to turn in their favour.

Excavations on Maamigili - the island Cora Cora Maldives is on - have revealed more than 60 remarkable finds. And we have also sourced more than 400 fascinating relics from across the Maldives, which we have curated at the Dutch Onion Art Gallery.

When you arrive for check-in, take a moment to look around the museum gallery in the lobby.

In the centre of the island, explore our outdoor site, where you'll discover ancient memorials dating back 500 years, and perhaps the most extraordinary find on the island - two temple tanks thought to be around 900 years old.

Finally, visit our 120-year-old traditional Maldivian house, with displays of traditional island life in the 1900s, giving you a sense of what it might be like to live on Maamigili year-round.

CORA CORA MALDIVES *Spa and Wellness*

Need more energy and focus? Join us in the yoga pavilion to stretch, balance and inhale the fresh air with yoga and meditation. Or head out for brisk nature walks and movement sessions on the island and the sea. Get your pulse racing with group fitness and dance classes, or even some sessions with a personal trainer.
