## *Fairmont Maldives, Sirru Fen Fushi*

---

Experience the grandest island escape in the pristine Shaviyani Atoll, where Fairmont Maldives looks out over one of the archipelago's largest resort lagoons.

Known as the 'Secret Water Island' by locals, Fairmont Maldives, Sirru Fen Fushi is more than just a personal hideaway. Perched atop the rim of a 600-hectare lagoon, this luxury resort features 120 exquisite villas, set on the white-sandy beach, over the crystal-clear waters, or amidst the lush tropical jungle, connecting guests to the natural beauty of this idyllic island paradise.

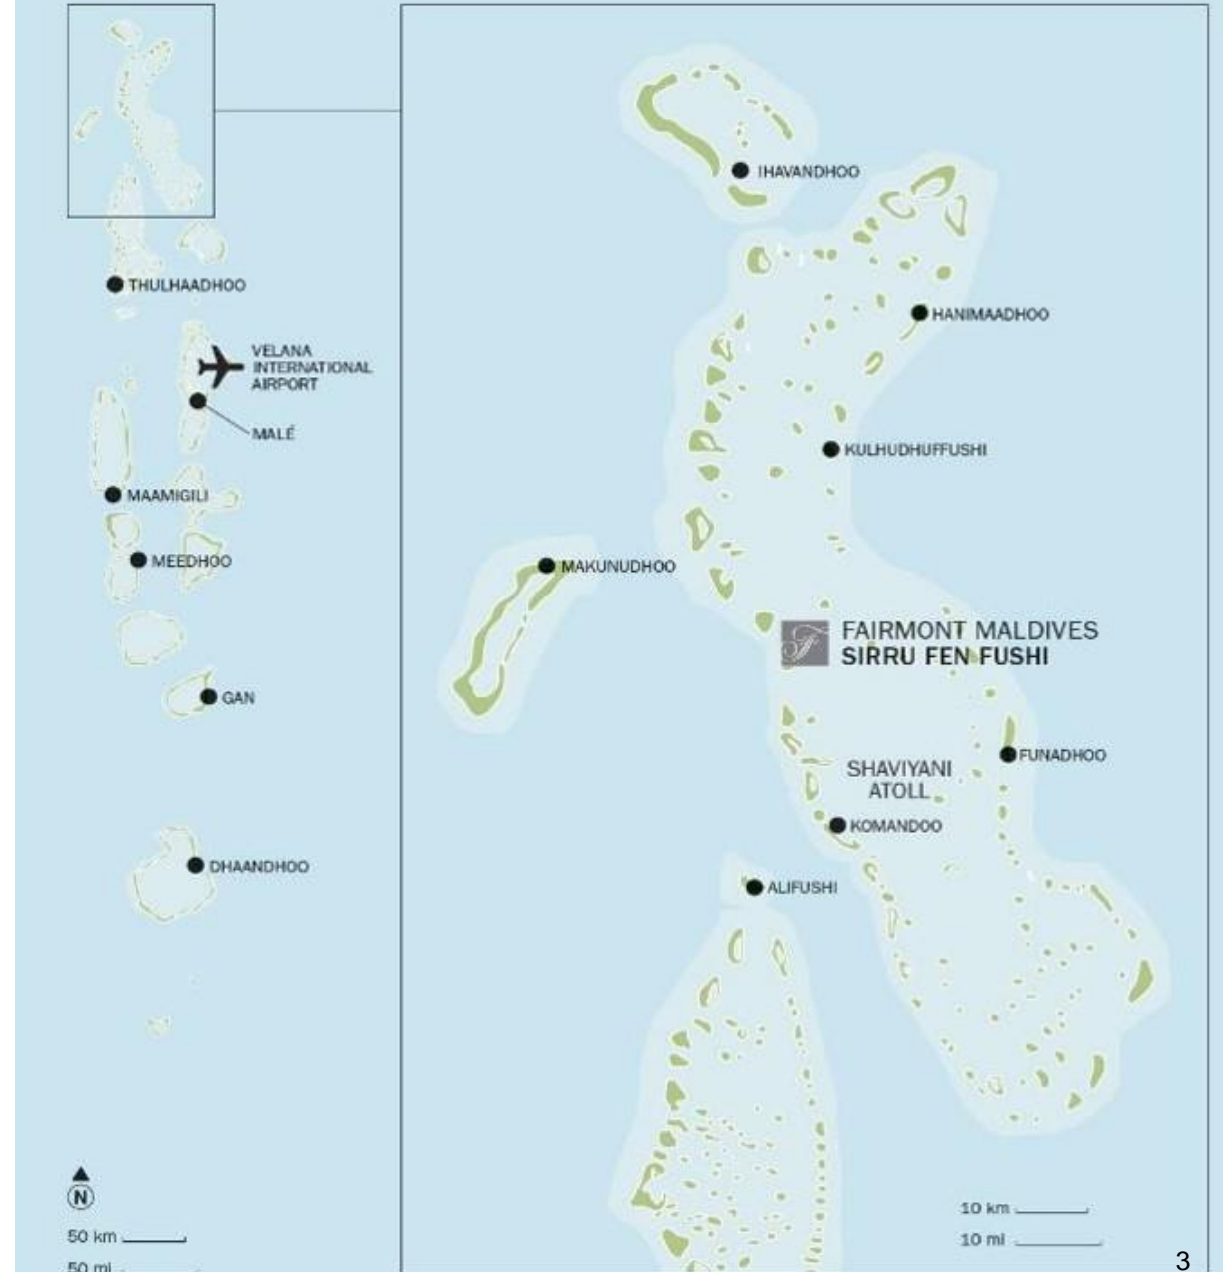

Sophisticated travellers can explore a range of unrivalled experiences, including a visit to the Coralarium, the world's first and only coral regeneration project in the form of an underwater art gallery, dive into the nine km-long house reef teeming with marine life, relax in the Maldives' longest infinity pool overlooking the magnificent Indian Ocean, or create bespoke souvenirs made from 100% recycled plastic at The Sustainability Lab.

Regarded as one of the world's most panoramic seaplane journeys, the 55-minute transfer to Fairmont Maldives, Sirru Fen Fushi from Malé is an experience in and of itself, impressing guests with spectacular views of the Maldives' unique scenery.

## MAP OF THE MALDIVES

The Republic of Maldives comprises 26 tropical atolls in the North Indian Ocean. Fairmont Maldives, Sirru Fen Fushi is the first and only resort on the pristine Gaakoshinbi in Shaviyani Atoll where marine life flourishes. Home to thriving coral reefs and abundant aquatic life, it is among the most beautiful — and untouched — destinations in all of Asia.

## RESORT MAP

Let this map be your guide to everything we have to offer at Fairmont Maldives, Sirru Fen Fushi, from our exquisite dining venues to aquatic recreational opportunities that you will treasure for a lifetime.

Getting Here: A 55-minute scenic seaplane journey from Velana International Airport in Malè.

**CULINARY EXPERIENCES**

## *RAHA MARKET*

---

The dining hub of the resort, is a marketplace of aromas and flavours. The buffets and live stations entice with traditional Maldivian dishes, multiple Asian cuisines, and healthy gourmet meals.

## *KATA RESTAURANT*

---

Our signature Japanese restaurant & bar celebrates sophisticated pan-Asian flavors with a modern menu that offers an array of Japanese-style tapas, Robatayaki grill, and Maldivian-influenced creations. The rooftop lounge sets a dramatic stage for sumptuous sunsets and truly memorable moments, offering an innovative cocktail menu, a rare whisky list, and a curated sake selection.

## *AZURE RESTAURANT*

---

Azure draws on the culinary riches of the seas for a fine-dining experience at this tastefully appointed restaurant. The creative seafood menu is paired to fine wines, fresh ocean breezes, and stunning views of the Indian Ocean.

- Coral pathways with over 60 coral flowerpots growing over 200 cuttings of staghorn coral species

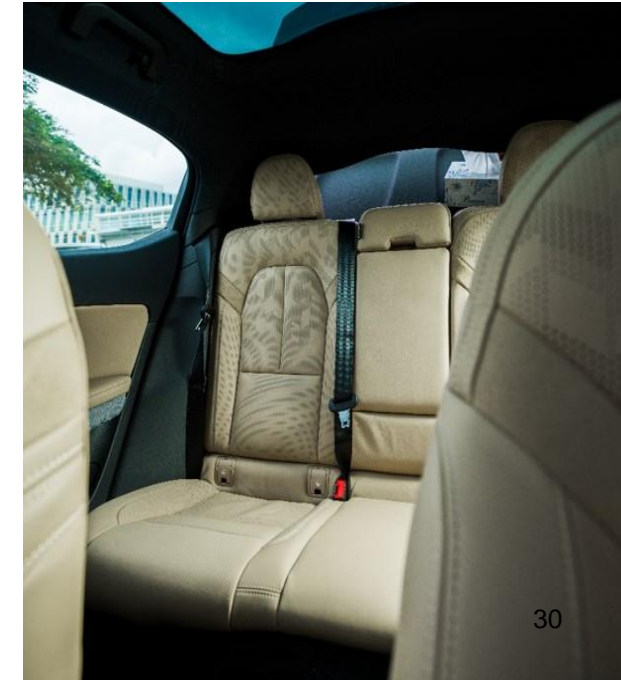

## *A SUSTAINABLE JOURNEY FROM RUNWAY TO RESORT*

---

We have partnered with design-focused electric car brand, Polestar, to offer airport transfers that are both luxurious and sustainable. Starting their journey in style, our guests will be transported from Malé Airport to the seaplane lounge in the sleek Polestar 2, before embarking on the scenic seaplane journey to the island.

## *THE SUSTAINABILITY LAB*

---

A hub of eco-education, the Sustainability Lab turns plastic waste into bespoke souvenirs and unique products, educates guests and empowers local communities. With the launch of our Sustainability Lab project, we aspire to be as close to zero waste as we can using current and future technology improvements to allow us to find better ways to reduce, reuse, recycle and upcycle our waste, whilst inspiring others globally to help secure a better future for our oceans and communities.

FAIRMONT MALDIVES, SIRRU FEN FUSHI – RESORT PRESENTATION

## *OTHER SUSTAINABILITY INITIATIVES*

---

- Paper straws
- SwimSol and Solar Energy Project
- Locally sourced produce
- Water production (*filtration & desalination*)
- Bottling plant
- Gardening (*grey water*)
- Coral reef cleaning
- Beach cleaning

## *SWIMSOL AND SOLAR ENERGY PROJECT*

---

We have already installed 1MW of solar, and we are looking to install another 1.5 MW in our lagoon by Q4, so we will have up to 2.5MW of solar production on the island and be one of the largest solar production islands in the Maldives.

Clean energy produced at Sirru Fen Fushi since we went solar:

- 43 days of 100% solar powered resort operation
- 11 trucks or 228 759 liters of diesel that did not have to be burned
- 242 flights London-Maldives roundtrip worth of CO2 prevented (604 tons of CO2)
- 115 villas fully powered by clean tropical sunshine
- 77 litres of Diesel prevented from being burned every hour
- 964 km car drive equivalent of CO2 emissions prevented i.e. 204 kg CO2/hour

## *TURTLE RANGER PROGRAMME*

---

- Guests can join our Turtle Ranger Programme and actively help in carrying out a variety of conservation tasks, including protecting turtle nests, assisting baby turtles in their journey from the nest to the ocean, and collecting photo face ID tracking data to monitor their migration patterns.
- We have released over 500 baby turtles in the ocean thus far.
- Turtle Rangers will also carry out workshops within the Sustainability Lab and convert plastic removed during beach cleaning events into turtle-shaped products using our plastic recycling machines.

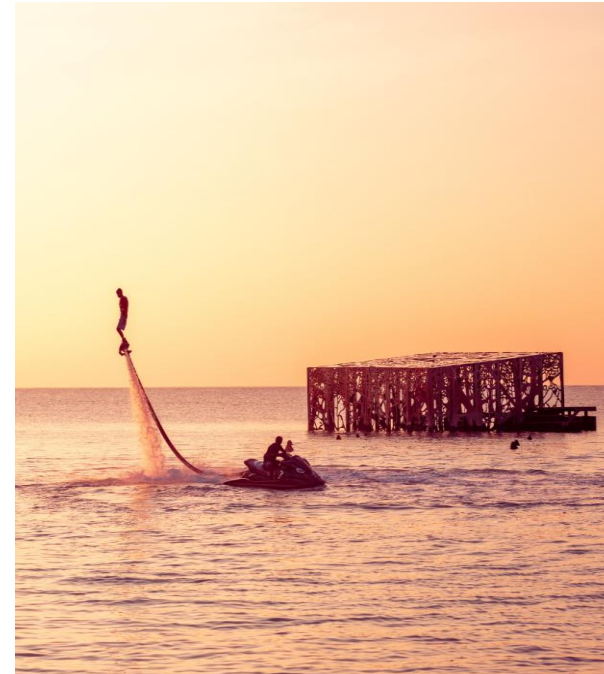

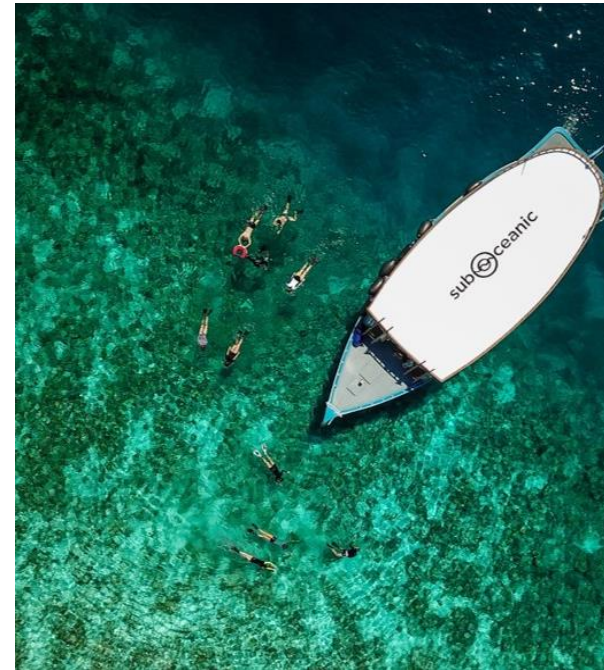

## *DIVING & WATERSPORTS*

---

Surrounded by the clear waters of the Indian Ocean, with direct access to the Maldives' most vibrant reefs, Fairmont Maldives, Sirru Fen Fushi offers one-of-a-kind diving and watersport experiences.
