WELCOME

Many people think of Paradise as the ultimate destination. At the Paradise Bay Resort, we are dedicated to live up to that.

Situated in northern Malta but overlooking the islands of Gozo and Comino, every single one of our rooms and dining areas has gorgeous Mediterranean Sea views.

PARADISE BAY

RESORT

LOCATION

The most beautiful sandy beaches are close, and short boat trips make the lush blue sea of Comino a stone's throw away.

Malta is ineffably fascinating, with its world heritage sites, baroque beauties, stately palaces and, simultaneously, inspiring modernity. The smaller, quieter Gozo is a melting pot of centuries of culture, tradition and natural beauty.

The contrast between the two islands is tangible, yet so are the commonalities, such as the majestic Churches and the way in which all things old are consistently intertwined with all things new.

To gain first-hand experience and understand the eclectic uniqueness that is Malta and Gozo, we invite you to stay at the Paradise Bay Resort.

Whether a beginner or an expert, Paradise Diving School provides a personalized diving itinerary. Located on the hotel's private beach, the school was established more than 20 years ago. The main diving sites of the Maltese islands can be reached by speedboat, by means of rides that never exceed fifteen minutes. Dive boats, operating between May and October, leave directly from the hotel's beach and return to the beach after each dive. Shore diving is practiced between November and April.

Children are more than welcome at the Paradise Bay Resort. In fact, we have dedicated indoor and outdoor areas for them. Young ones may enjoy themselves safely as they splash around, as both our indoor and outdoor pools have paddling pools tailored for them.

CONFERENCES

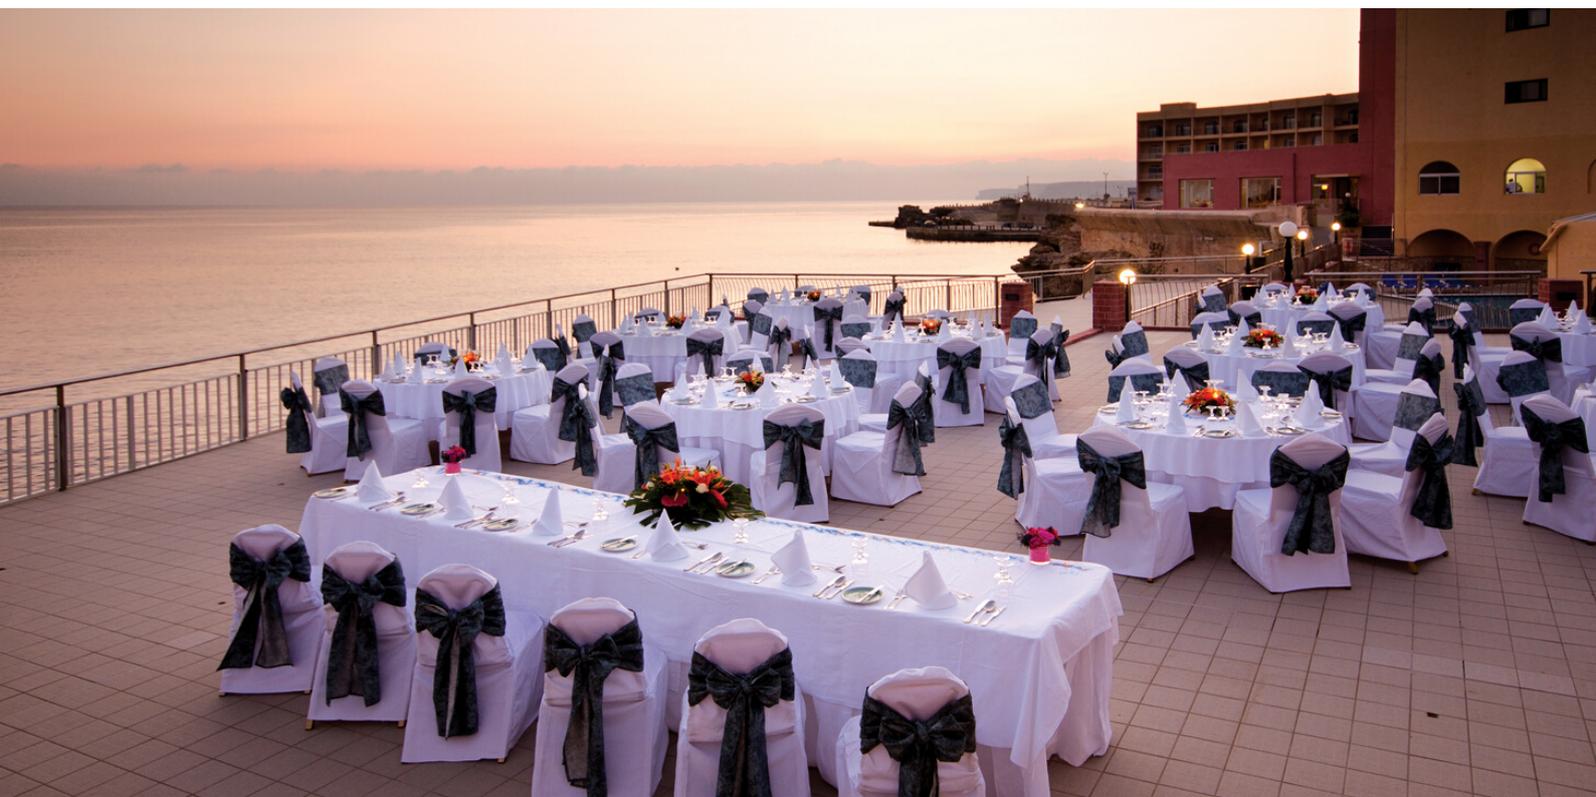

Whether you're planning a large-scale conference or a boardroom meeting, we can cater for it. Our halls, suites and nine meeting rooms are spacious and enjoy natural light and sea views. Moses Hall, our largest venue, is sought after by many local and international corporate names.

Extensive outdoor venue space is available, which makes us the perfect location for large functions, product launches, and team building activities.

Our facilities can be set up according to specific requirements and our in-house events team is ready to assist with any requirements.

WEDDINGS

We want your day to be special just as much as you do. In fact, we are equipped to host weddings, anniversaries and engagement parties. We have a track record of successful events organised at our Captain's Deck, the Moses Hall and on our private, sandy beach. The extensive terrace space surrounding the outdoor pools overlooking the picturesque Paradise Bay is simply breathtaking.
