BEACH:

FAMILY:

Children are very important to us and to make sure they will get the star treatment, we dedicate exclusively to them a **Mini Club** (For children from 4 to 12 years old) featuring fully equipped playground and children pool with experienced staff of counsellors.

Children are kindly invited to benefit with our supervised children's program with daily activities.

And to give you peace of mind, our destination's largest guest rooms or Family rooms (a two-bedroom Apartment) mean the kids are never too far away.

Hammam

Sea bel Spa

Covering 2,000 m² and opened in September 2007, is the current unique luxury place of beauty in the region. It embodies eternal Andalusia and Arabian architecture with its carved arches and original design.

It features indoor water area with Jacuzzi, a warmth and comfort hammam. There are 10 treatment rooms offering a wide range of Spa treatments as well as a relaxing area. Specialist masseurs, that are masters of their craft, are on hand to offer individual treatment advice.

Massage
