SERENITY
SKY ARC
SAHL HASHEESH

Hospitality to the Next Level

At A Glance

Built in contemporary along the pristine coastline of Sahl Hasheesh, directly overlooking one of the rarest sandy beaches spots in the area.

The natural beauty of this fantastic spot, inspired the team of talented designers & landscapers at Serenity Group to create a unique figure for Sky Arc beach, close to the sea-view food court and at the vicinity of the open theatre

Luxurious accommodations; from tastefully appointed rooms to spacious swim-up units & lavish suites, Serenity Sky Arc provides the epitome of comfort and opulence.

As a precious gem in the Serenity Group assortment, Serenity Sky Arc Sahl Hasheesh enjoys all features and facilities provided by all Serenity Group brands; like the famous Serenity Gourmet epicurean dining experience, the eminent services & activities of Serenity Lifestyle and the innovative entertainment of the D.Moments.

Hospitality to the Next Level

Enchanté

An exquisite reception built at the height of two levels, illuminated by daylight from the glass façade overlooking the breathtaking view of the sea.

Our Infinity lobby bar is in the center while our worldclass Stamina Lounge & Bar welcomes our guests in stylish sophistication, reflecting the art of hospitality in panache.

Serenity Sky Arc Sahl Hasheesh is not just a hotel; it's an immersive experience designed to cater to the most discerning travelers.

◆◆ Hospitality to the Next Level Luxury in Comfort

380 Accommodation Units, scattered into various types answering all guests needs, starting from 37sqm space and up to 73 sqm.

From the elegantly appointed Superior rooms, the breathtaking views Premium rooms surrounding the swimming pool to the Club & Grand Club rooms with VIP amenities & excess space.

We loved to pamper our guests with a number of Swim-up rooms and beach front rooms available in various categories.

Serenity Group gifted architects created an exclusive assortment of accommodation units of one bedroom and two bedrooms: Antares, Jebbah & Diwo that are called after giant luminous stars.

These limited units with their considerable width are perfect for family accommodation, groups of friends and for the chic bash who find their comfort only in vast spaces.

SERENITY

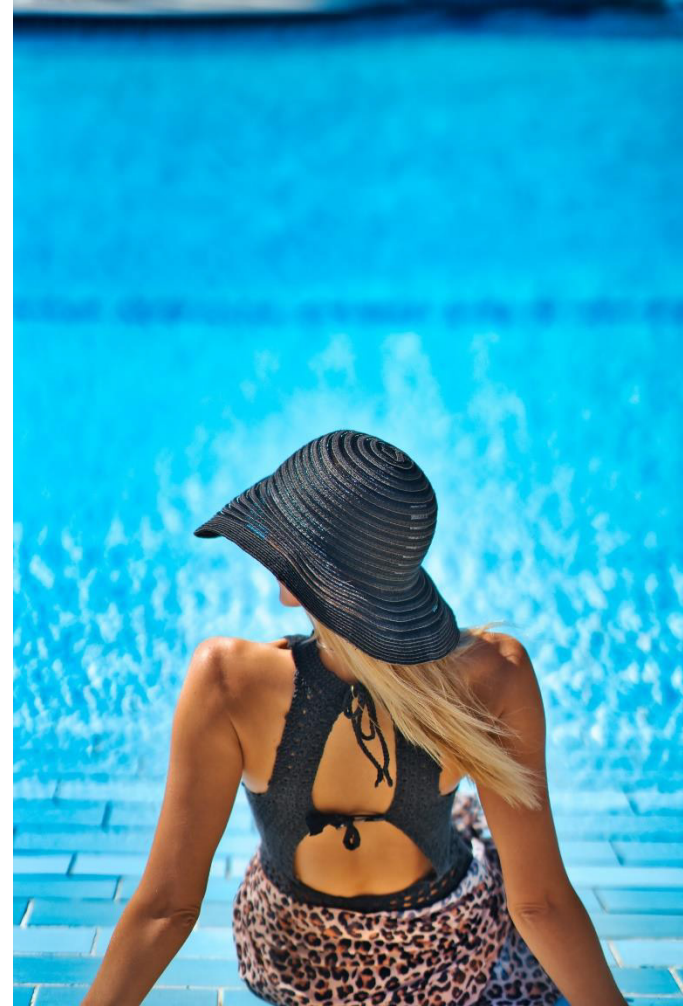

Hospitality to the Next Level

Contemplate, Indulge & Refresh

Artistically shaped swimming pool, with a shallow area and that is also heated in winter, occupies the heart of the resort in delicacy, adding a touch of panache to the view with the inventive landscape layouts & decorations.

The pool area is served by the Glamour Bar, a chef-d'oeuvre of designing art with infinite view to the turquoise sea.
