

KBC RAS SOMA
RED SEA | EGYPT

KITE AND WINGFOIL
HOLIDAY DELUXE

LOCATION

KBC Ras Soma is the water sports base of the 5-star resort Steigenberger Ras Soma - only about 30 minutes' drive south from Hurgada airport. The impressive centre with private water sports area is located about 800 metres below the hotel's own beach. A shuttle from the hotel to the centre is planned.

The KBC Ras Soma is expected to open in late summer 2023.

SPOT

Just like the neighbouring Soma Bay, Ras Soma captivates with its fine, white sandy beaches and the wonderfully turquoise, crystal-clear water. Due to the excellent conditions, the area has become a Mecca for water sports enthusiasts. In the large bay, a constant wind blows from northerly directions, which is further strengthened by the nearby Red Sea, so that the spot is very wind-safe and offers fantastic shallow water conditions. Even in strong winds, the water in the bay remains relatively calm and thus prepares perfect learning and practice conditions for freestyle and manoeuvre training. Kiteboarders and wingfoilers also get their money's worth here. At the KBC centre, the wind blows from side-offshore, seasonally also side-shore directions, but only blows about one kilometre across the sea before it hits the KBC centre and is then constant and unvortexed. KBC has several boats in operation - to support training and safety of the water sports enthusiasts.

CENTER SETUP

KBC Ras Soma is a small luxurious oasis directly on the water sports beach and offers beautiful places to relax. With a lot of taste, imagination and experience, the centre is designed for water sports enthusiasts with high demands who want a comfortable, exclusive sports holiday:

- Storage boxes for private equipment
- Lockers for valuables
- night watch service
- Large changing rooms
- Hot water showers and toilets
- compressor to inflate the kites
- experienced beach staff to help with launching and landing
- Lifeboat service (a certain number of rescues are included, further rescues can be booked)
- large terrace
- a shady chill out area with beanbags
- bar/bistro
- Shop with functional clothing, accessories and fashion
- free WiFi

SPOT USE / SERVICE

Kitesurfers with their own equipment can use the storage and all services of the centre: the beach staff helps with launching and landing the kites, the lifeboat ensures safety. Toilets and showers, changing rooms and lockers, as well as the entire infrastructure can be used - even by the escort.

LESSONS

KBC Ras Soma trains according to VDWS standards with exclusively licensed kite and wingfoil instructors and a huge wealth of experience. Complete beginners start in the basic or intensive basic course in individual supervision or a maximum of two.

For kitesurfers who want individual training or trick and manoeuvre training, KBC Ras Soma offers private training.

The spot offers excellent conditions for kitefoiling and wingfoiling, so there is a wide range of kitefoil and wingfoil courses.

RENTAL

Kitesurfers from level 4 can rent first-class equipment from F-ONE at KBC Ras Soma. If you don't want to waste any time and prefer to have your kite assembled and disassembled, you can choose the "Diamond Service" for a small surcharge and receive the fully assembled equipment directly at the kite beach and change sizes and models at any time on demand.

Kitefoilers and wingfoilers from level 5 rent premium equipment from F-ONE. If the VDWS level has not yet been reached, the required skill level can be reached on site in private lessons.

The complete F-ONE equipment can be tested - free of charge for every model and size for 30 minutes. The team will also be happy to help you make a purchase decision.

CATERING

The centre's bar serves delicious coffee, cool drinks, freshly squeezed juices and snacks. Otherwise, the Steigenberger Resort offers full catering.
