

# Thaala<sup>BENTOTA</sup>

Where there's rhythm, there's life

## A harmonious seaside escape

Here's where you can embrace island life in rhythm and style away from the hustle and bustle of an ordinary day. Designed by starchitect Geoffrey Bawa, Thaala Bentota Resort is a haven where rhythm, nature, and luxury intertwine to create an unforgettable experience.

Facing the Indian Ocean on one of Sri Lanka's best stretches of sand, the welcoming smiles, and personalized service will make you feel right at home.

Choose from 75 rooms and suites, an array of wining and dining spots, and settle in for fun in the sun.

# Get your bearings

Set on the southwest coast of Sri Lanka, within the Galle District, Thaala Bentota Resort balances secluded seaside peace and privacy with easy access to all the action. Live the quiet desert island life on a golden beach beneath swaying palms, knowing the city buzz is never far away.
